Program Overview

▶ Development Objectives

To meet the long felt need for basic competence in training and development, this program was introduced in April, 1979.

PGP-TL&D is designed to equip both professionals and students with the skills and knowledge to create impactful learning experiences and drive organizational as well as personal growth.

The PGP-TL&D program has a dual objective:

- ✓ **Develop Competency to be an effective T,L&D Manager in an Organisation**
- ✓ **Develop Skills for being an effective Trainer**

Participants will explore key concepts such as instructional design, adult learning principles, facilitation techniques, and the use of modern learning technologies in addition to practical concepts of designing and delivering effective training sessions, evaluating learning outcomes, and fostering a culture of continuous development.

Ideal for Professionals from various disciplines and students passionate about skill-building, this course bridges the gap between theory and real-world application in the ever-evolving field of learning and development.

▶ Program Highlights

- ✓ The curriculum comprises of 10 (ten) papers spread over 2 (two) Semesters of 6 (six) months each
- ✓ The last 3 (three) months of the program will be dedicated for Project work
- ✓ Classes will be conducted **ONLINE** on **Sundays**. There could be a few **optional** in-person classes.
- ✓ Video Recordings of the classes and the PowerPoint presentations used in the classes will be shared with the participants.
- ✓ E-books and reference materials for the subjects will be shared.

Who Should Join?

- ✓ Professionals from Sales, Operations, Finance, Marketing, HR, IT amongst others areas, to orient themselves as Trainers / Facilitators of learning processes and seek to move into larger Learning & Development roles
- ✓ Those engaged or looking forward to engage themselves as Trainers or Facilitators in any sector - Corporate, Government, PSUs, Freelancers
- ✓ Engineers, Doctors, Lawyers, Trainers, Coaches and other professionals who would like to acquire as well as sharpen their skills of Training / Facilitation and get involved in Learning & Development initiatives in various capacities
- ✓ Students pursuing any graduate course in any domain like Medical, Engineering, IT, Marketing, Finance & Accounts, Public Relations etc. who would like to explore Training / Learning & Development as a career option

This programme is inspired by the guidelines issued by GOI, NEP and UGC, with a focus to empower the Indian youth with online courses in skill enhancement and employability potential.

This need-based programme has been professionally curated and crafted to attain Professional-upgradation, Skill-enhancement & Competency-building apart from other allied benefits.

It is not an academic Diploma or Degree course.
